

## Dear Families,

The global spread of COVID-19 is affecting every one of us, so we thank you for your patience while we all come to terms with a “new normal”. Although we are temporarily unable to operate our classes, there are an abundance of costs associated with payroll, health insurance, rent and utilities and staff, many of which will be continuing to oversee operations and administrative work to plan for the spring and summer seasons.

Our offices are currently closed, and we have limited staff working on a remote basis. However, should you have any questions or need assistance logging into your account, we kindly ask that you please correspond by email at: [CustomerCare@USAsportGroup.com](mailto:CustomerCare@USAsportGroup.com). We will do our best to respond to all inquiries to the best of our ability, and in a timely fashion.

Please see below for an update regarding our programs:

### **Indoor Classes (January-April)**

Due to COVID-19 and recommendations by the CDC, classes have been cancelled.

### **School's Out Sports Camps**

Due to COVID-19, recommendations by the CDC and the local health department, School's Out Camps have now been cancelled.

### **Spring Classes**

The start date of all weekly spring programs has been delayed until the first week of May, when we are confident that group classes and activities will be given the green light to go ahead. This is 6-7 weeks from now and still enables us to run the program for the same number of weeks as we had originally planned. If this situation changes, we do have plans in place to run an abbreviated program.

For your new class date, please log onto our website ([www.USASportGroup.com](http://www.USASportGroup.com)), sign in and view “Active Programs”.

### **Summer Programs**

All summer camps and classes are going ahead as originally planned.

Below are additional resources and links to learn more about COVID-19:

The **State of New Jersey Department of Health** has a 24-Hour hotline to address questions about the COVID-19. Call 1-800-222-1222 or visit: [nj.gov/health/cd/topics/covid2019\\_community.shtml](https://nj.gov/health/cd/topics/covid2019_community.shtml)
